Hello Simon and Frances

Thank you for your request relating to a proposed biodiversity stewardship agreement affecting 414 Old Maitland Rd, Mardi.

We have reviewed NSW Local Land Service records to check if the land has been:

- o used as an offset under a Property Vegetation Plan
- o affected by a set aside under section 60ZC of the Local Land Services Act 2013

LLS records **do not** show the presence of a Property Vegetation Plan and/or set aside under section 60ZC of the Local Land Services Act 2013.

Please call if you wish to clarify any aspect of this advice.

Regards
Geoff
